

EthicsPoint

EthicsPoint is an anonymous or confidential reporting tool available 24/7/365 for reporting serious violations of law, regulation, code of conduct, or policies which may include compliance issues, discrimination, fraud, waste and abuse, or misconduct.

Phone Reporting (844-936-2729): EthicsPoint has a toll-free phone reporting system that is available 24-hours a day, seven days a week, every day of the year. It is available to all RVU students. When you call, you are actually calling an independent third-party service provider, completely independent of RVU. When the EthicsPoint phoneline is called, a specialist will answer the call and make a detailed summary of the question or concern raised. The caller's voice is never recorded, and the caller has the option to remain anonymous if they wish; however, it may be difficult to resolve an issue if the complainant does not provide their name. All calls are given a special reference number, and the complainant will be encouraged to call back within a specified time to check on the status of their case.

Web Reporting (rvu.ethicspoint.com): The web-based version of EthicsPoint is made available to students who are more comfortable asking questions or raising concerns through the web. When accessing the EthicsPoint website, RVU's network system is left entirely and the case will be recorded on an independent third party's system. And as with the RVU phone line, the complainant can remain anonymous; however, it may be difficult to resolve an issue if the complainant does not provide their name. All reports entered through the EthicsPoint website are also given a reference number, and encouraged to follow up within a specified time to check on the status of their case.
