

Clinical Preceptor Responsibilities

- Provide student(s) with an orientation to the office on the first day of the rotation. This may include a tour, introduction to EHR system, and policies/procedures as applicable.
- Discuss rotation-specific expectations with student.
- Review learning objectives and guide students to assist them in the achievement of these objectives for the particular discipline.
- During most clinical experiences, students are expected to work the same hours their preceptor works.
- Allow students to obtain patient histories, perform physical examinations, and perform procedures on patients based on the preceptor's comfort level.
- Allow student(s) the opportunity to present patient cases.
- Discuss diagnostics, assessment, plan, and patient education with student.
- Observe the student in patient interactions.
- Provide student(s) with regular feedback regarding their performance.
- Complete the rotation evaluations.
