

# Gold Humanism Honor Society (GHHS)

The mission of the Gold Humanism Honor Society (GHHS) is to recognize individuals who are exemplars of humanistic patient care and who will serve as role models in medicine throughout their careers. The power of the Society brings them together to sustain their own humanism and to inspire and nurture humanism in others. GHHS recognizes, supports and promotes the values of humanism and professionalism in medicine. The Society is committed to working within and beyond medical education to inspire, nurture and sustain lifelong advocates and activists for patient-centered medical care.
