

Student Employment

Successful advancement and completion of the PA program requires heavy demands on each student's time, physical abilities, and emotional resources. Consequently, students are strongly discouraged from seeking or obtaining outside employment while enrolled in the PA Program. Students who require financial assistance during matriculation should contact the Office of Student Financial Services for help with budgeting or emergency loans rather than seeking outside employment.

Alterations to course or clinical schedules will not be made for students who choose to work while in the Program.

Students are not permitted to work for the Program.
