

Medical Students Advocates for Underserved Populations (MSAUP)

Utah Campus Only

Medical Students Advocates for Underserved Populations (MSAUP) is a club that focuses on assessing the needs of underserved populations within the community, creating projects to help meet those needs, collecting and interpreting data based on the identified underserved population and developing partnerships with like-minded organizations in the community. We currently partner with Youth Futures and Switchpoint, local homeless shelters, for various projects. We also host Naloxone training, participate in an annual Giving Tree activity for the holidays, and co-sponsor several other events throughout the year.
