

# MSBS Mission Statement and Vision Statement

## Mission Statement

The Rocky Vista University Master of Science in Biomedical Sciences program will provide an opportunity for students with diverse backgrounds and life experience to strengthen their educational foundation in the biomedical sciences, cultivate critical thinking skills, and prepare for careers in the health sciences.

## Vision Statement

The RVU MSBS program is a pivotal part of RVU's growth and it contributes to RVU's mission and vision as a major health sciences center comprised of a diverse student population, serving the Rocky Mountain West region.

The RVU MSBS program offers resources for students to achieve personal and academic success, including a) exposure to quality educators and researchers; b) a rigorous curriculum consisting of the application of active learning by faculty and students; and c) the requirement of individual responsibility.

The RVU MSBS program promotes life-long learning and competency in its students via its emphasis on the development of educational skills and critical thinking, and through the encouragement of scientific inquiry.

The RVU MSBS program curriculum and learning environment integrates a strong foundation of biomedical knowledge with the professional, cultural, and ethical traits desired in its students and graduates..
