

RVU Internal Medicine Club (RVUIMC)

The RVU Internal Medicine Club (RVUIMC) exists to provide early exposure to students of the many facets of internal medicine. Those involved in the RVUIMC have the opportunity to attend monthly meetings with speakers from general internists, hospitalists, and the different specialties in internal medicine. Some of the internal medicine specialties include Cardiology, Pulmonology, Gastroenterology, Infectious Disease, and Rheumatology. Lunch is provided to club members at these meetings. Additionally, RVUIMC members have the opportunity to attend conferences held by the American College of Physicians (ACP) and the American College of Osteopathic Internists (ACOI). Part of the cost to attend these conferences is reimbursed from club funds. Finally, the RVUIMC hosts a blood drive in the fall and assists in teaching clinical skills to first year students.
