

Student National Medical Association (SNMA)

The purpose of the SNMA is to support current and future underrepresented minority students, addressing the needs of underserved communities, and increasing the number of clinically excellent, culturally competent, and socially conscious providers. SNMA aims to equip, support and create a safe space at RVU for underrepresented students, to advocate and represent underrepresented students, and to help guide and support the development of medical education that is sensitive to the needs of diverse populations to mold socially conscious providers. We also strive to educate RVU and the surrounding community regarding current healthcare disparities in the U.S, with a focus on minority affairs.
