

Student Osteopathic Medical Association (SOMA)

The Student Osteopathic Medical Association (SOMA) is the official organization for osteopathic medical students and the affiliated student organization of the American Osteopathic Association. Its purpose is to advance the osteopathic profession, advocate for public health and welfare, and to represent the views and opinions of osteopathic medical students. SOMA national affiliations with similar groups at other schools provide the largest network for information exchange and interaction available today. Membership in SOMA brings many benefits, including free subscriptions to Student Doctors and Medical Students and discount prices on diagnostic equipment, the Preceptorship Program, SOMA scholarships, life insurance programs, and more. Locally, SOMA is involved in the school, hospital, and citizen communities through various service projects and socials.
